He uses tips from the 'Garuda Purana' as his tools to expose various antisocial elements.72User reviews14Critic reviews The movie that will move you in every scenef you do not know Tamil (just like I don't) then watch the DVD version of ANNIYAN with subtitles (not the Hindi version). You will be proud to find that the best movies in the world are Indian movies (I will learn Tamil just to watch its movies). Roles were challenging but acting/performance was great too. Direction qualifies for a new degree after good better and best. Comedy has good timing and morals delivered are clear. I have been humming the songs specially - Iyengar Vittu Adege with out really knowing what the lyrics means. Actions were well shown and well place in the movie. The scenes were so well placed. Music was super. This is a art, classic, action, science, romance, thriller, drama. A movie does not get better than this.abhijit-x-bhattacharyaAug 17, 2009See detailed box office info on IMDbProSuggest an edit or add missing contentBy what name was Anniyan (2005) officially released in Japan in Japanese?
